Dear Ms Owen-Roberts

**Midland Metro Birmingham Eastside Extension TWA Inquiry – Quintain City Park Gate Limited**

Further to your letter dated 1<sup>st</sup> November and my subsequent email and telephone conversations with you, I have now received instructions from my client, Quintain City Park Gate Limited, in respect of the Public Inquiry.

I can confirm that our client will not be appearing or be represented at the Public Inquiry. However, my client does not wish to withdraw their objection to the proposed Order and would wish to bring to the attention of the Inspector their objection, my Proof of Evidence dated 24<sup>th</sup> October 2017 and the attached Rebuttal Statement in response to the rebuttal statement made by T Bruce Fowler MRICS, on behalf of West Midland combined authority (ref APP/R2).

I have forwarded a copy of the Rebuttal Statement to West Midlands Combined Authority.

Yours sincerely

Richard Asher
