I am writing in response to your holding objection to the above Order dated 2 January 2018, which has been allocated the reference OBJ/1 by Secretary of State for Transport.

In response to your request, I can confirm that the integrity and use by Cory Environmental (Central) Limited of the surface water outfall to the drainage network will be preserved and unimpeded throughout the temporary use of Plot 9 and thereafter following the completion of its temporary use for the Wednesbury to Brierley Hill tram scheme.

You state in your letter that upon receiving written confirmation of the above Cory Environmental (Central) Limited will withdraw its objection to the Order. Therefore on the basis that the above has provided sufficient confirmation to allay your concerns, please could you now withdraw your objection by writing to the Secretary of State for Transport, care of the Transport and Works Act Orders Unit. I would be grateful if you would copy me into your withdrawal letter.
