Dear Sirs

**The Midland Metro (Wednesbury to Brierley Hill Land Acquisition) Order ("the Proposed Order")  
Objection Number 22 - TJX UK**

We are solicitors acting for and on behalf of TJX UK in this matter.

Our client has today written to the Midland Metro Alliance to explain the various reasons why it must sustain its objection to the Proposed Order. We attach a copy of our correspondence, and the document referenced within our letter, for your attention.

Despite limited assurances given by the acquiring authority in a Unilateral Undertaking dated 6 December 2018, our client must maintain its objection to the Proposed Order. The attached correspondence provides a detailed update on our client's position. We should be most grateful if you would add this written evidence already submitted by our client in support of its objection. This follows an invitation to submit further written representations contained in paragraph 4 of correspondence dated 30 October 2018 received from the TWA Orders unit (copy attached).

We have confirmed today in our correspondence to the TWA Orders Unit at the Department for Transport (copy attached) that our client does not consider it necessary to present oral evidence to the inquiry.

Yours faithfully
